Champagnes That Inspired Us

Every great idea starts with a glass worth remembering.

Before Tulips existed, it was an idea — sparked by grower Champagnes that showed us what the category could really do. This month's flight revisits three of them: the bottles that convinced us terroir-driven, small-production Champagne deserved a home — and an audience — in central Indiana.

01 **Pierre Gimonnet & Fils** *Cuis Blanc de Blancs Premier Cru Extra Brut NV*

Pierre Gimonnet & Fils farms in the heart of the Côte des Blancs, and this cuvée is why we fell for Blanc de Blancs in the first place — pure Chardonnay, precise and mineral-driven, from a family that has spent generations doing nothing else.

100% Chardonnay · Cuis, Côte des Blancs · 48m Lees Age · 5.5-6g/L Dosage · Malo

02 **Famille Moussé** *'Eugène' Blanc de Noirs Extra Brut NV*

Famille Moussé has been family-run since 1750, celebrated for its unique green-clay soils in the Vallée de la Marne. Eugène — a Meunier-driven cuvée — combines precision with artistry to give a lesson in one grower's own philosophy: sustainable, traditional, low-intervention, and simply...delicious!

80% Meunier | 20% Pinot Noir · Vallée de la Marne · 18m Lees Age · 2.5g/L Dosage · Malo

03 **Paul Bara** *Brut Réserve Grand Cru NV*

Paul Bara has farmed Grand Cru vines in Bouzy for generations, and this Réserve — bold, structured, built on Bouzy fruit — taught us what Grand Cru terroir actually tastes like in the glass.

80% Pinot Noir | 20% Chardonnay · Bouzy, Montagne de Reims · 6y Lees Age · 7g/L Dosage

T H E P R E S T I G E P O U R

Marc Hébrart *Spécial Club Premier Cru Brut 2021*

Blending grapes from the Montagne de Reims and Vallée de la Marne. A vintage grower cuvée, blind-tasted and approved by the Le Club Trésors de Champagne — the wine that convinced us Tulips needed a place for Champagne at this level, too.

70% Pinot Noir | 30% Chardonnay · Stainless Steel · Old vines · Malo · 36m lees age · 5.5g/L Dosage

Ask your server to add the Prestige Pour.
